NEW WESTMINSTER CITY BY-LAWS.

CAB BY-LAW, 1891.

*A By-Law to License and Regulate Cabs, Carriages, Omnibusses and other Vehicles plying for hire in the City of New Westminster.*

**T**HE Municipal Council of the Corporation of the City of New Westminster, enacts as follows:—

1. In the construction of this by-law, the word "cab" shall be taken to mean and include any cab, carriage, omnibus, sleigh or other vehicle intended for the carriage of passengers, except where the context requires a different meaning.

2. This by-law shall not apply to owners of licensed livery stables not occupying with their cabs any of the public cab stands of the City.

3. It shall not be lawful for any person to use any cab for hire for the carriage of any passenger from one place to another within the said City, or to occupy with such cab any of the public cab stands in the City, without being licensed to do so as hereinafter provided.

4. No license or transfer of license shall be granted or consented to under this by-law except on petition of the applicant, or, in case of a transfer, by the transferee, to the Police Commissioners of the City, praying for the same, nor until the said Commissioners shall be satisfied that the cab, horse or horses, harness and other equipments of the applicant or transferee are in a fit and proper condition, and are suitable for public use, and that the applicant or transferee is of the full age of 21 years, and is a fit and proper person to receive a license under this by-law.

5. If the petition for a license be granted by the Commissioners, the Clerk of the Police Commission shall certify the same to the City Treasurer, and shall issue a license to such applicant on production of a receipt from the City Treasurer showing that the license fee has been paid; and such license shall contain the number of the cab, and shall be in the form set out in Schedule "A" hereunto annexed.

6. There shall be affixed inside every cab, in a conspicuous place, a card on which shall be printed in plain, legible letters, the number of the cab, name of the owner, and tariff of rates; and every driver of a cab shall obtain a metallic badge with the registered number thereon, and such badge shall be kept attached in a conspicuous place on the cap or hat of such driver, or fastened to the breast of his outer garment, while he acts as driver. Such badge may be obtained from the City Treasurer on payment of 50 cents.

7. It shall not be lawful for any person licensed under this by-law to use on any cab any number other than the number obtained from the said Clerk.

8. Any license issued under this by-law may, with the consent of the Police Commissioners, be transferred to any purchaser of the cab for which the license has been granted, and after such transfer the transferee of such license shall be deemed to be the person licensed thereby.

9. Every owner of more than one cab shall take out a separate license for each cab used by him for hire for the carriage of passengers from one place to another within the said city; but nothing herein contained shall prevent the owner of more than one cab from using the same at different times under the one license: Provided, always, that such owner shall not use, or allow to be used, for hire, for the carriage of any passenger within the city, at one and the same time, more than one of such cabs under one license, and that each cab so used shall have thereon the number contained in the license under which the cab is used.

10. The person in whose name a license is taken out for a cab, or to whom such license shall have been duly transferred, shall be deemed as the owner of such cab for the purposes of this by-law.

11. Every owner obtaining a license under this by-law, who intends that his cab shall be driven by another person, or who may at any time wish to employ a driver therefor, shall submit to the Police Commissioners for approval the name of any person he intends to employ as such driver; and no cab shall be

driven by any person other than by an owner licensed to do so, or by a person who has permission in writing from the Police Commission so to do, and such permission shall be endorsed upon the license under which such cab is used, and signed by the Clerk of the Police Commission: Provided, always, that the Police Commissioners may, whenever they shall deem it expedient, revoke such permission, and such permission shall be cancelled from the time the owner of the cab shall have received notice of such revocation.

12. Every cab for which a license has been granted under this by-law must be kept reasonably clean, dry, and in good repair, with the harness, tackling, and equipments used with the same, and the horses used therewith shall be fit and sufficient to do their work, and whenever the owner of any cab, having a license for using the same under this by-law, receives notice, to be given to him or his driver, signed by the Clerk of the Police Commission, under authority of said Commission, that such cab, or any horse or harness or equipment belonging to the same, is not in a reasonably fit condition for public use, or that such owner or driver has been guilty of misconduct towards any passenger in his cab, or has otherwise misconducted himself as the owner or driver of such cab, the owner shall appear before the Police Commissioners, and if the charge be found proven to the satisfaction of the said Commissioners, his license may thereupon be suspended by them, and if so suspended it shall be wholly inoperative until the said owner shall have obtained a certificate from the Clerk of the said Commission that such suspension has been removed by said Commission and that his license is again in force.

13. Every owner licensed or applying for a license or for a consent to a transfer of license under this by-law shall, when required by the said Commissioners, submit his cab and his horses, harness, and other equipments for the inspection of the Chief of Police, or such other person or persons as the Commissioners may appoint for the purpose, both before and during the continuance of his license, and no owner or driver shall, at any time when his cab is not employed, prevent or hinder the Chief of Police, or other person authorized as aforesaid, from entering his cab or his yard, stable, or shed for the purpose of making such inspection.

14. The Clerk of the Police Commission shall keep a register of the name and residence of each person licensed under this by-law, and of the number of his cab, with the amount paid by each person, and the date at which the same was paid. The said Clerk shall also keep a register of each person to whom permission has been given to drive a cab.

15. No driver of any cab licensed under this by-law shall ask, demand, or receive more than the tariff rates fixed by this by-law.

16. Every license granted under this by-law shall be in force from the date thereof until the 31st day of December of the same year, unless cancelled or suspended.

17. Each applicant, before receiving a license, shall pay to the City Treasurer the fee hereinafter required, namely: For each omnibus drawn by two or more horses, \$8; for each cab, carriage, sleigh, or other vehicle not being an omnibus, drawn by one or more horses, \$5: Provided that if the license be applied for and granted after the 30th day of June, the fee shall be one-half the amount set out in this section.

18. When a transfer of a license has been made by the licensee, and assented to by the Police Commissioners, the Clerk shall enter such transfer in his register of licenses, and endorse on the license a memorandum that the Commissioners have assented to the transfer, and for each transfer there shall be paid to the City Treasurer the sum of \$1.

19. Each person licensed under this by-law shall provide himself with two lamps, one on each side of his cab, placed in such a position as may be approved of by the Commissioners, and having the number of the cab painted in red on the side glasses in figures not less than two inches in depth, and having no other number or word on said glasses; and when the cab is used at night he shall keep a good light in each of the said lamps, whether on the stand or on the public streets; and the word "night" in this section shall be understood to mean after sunset.

20. No driver of any cab licensed under this by-law shall abuse or ill-treat any horse attached thereto, or wantonly or unnecessarily snap his whip, or use obscene, abusive, or impertinent language in any public place or in hearing of any passenger, or solicit any person to take or use his cab, but any person wishing

to use or engage such cab shall be allowed to choose without interruption.

21. Every driver shall remain sufficiently near his horse or horses to have perfect control of the same at all times.

22. Every person licensed under this by-law to use for hire a cab, not being an omnibus, shall, through himself or his driver, serve the first person requiring his cab; and if he plead that he has accepted a previous order, and, therefore, cannot take the present order, he shall, on demand, give the name of the person to whom he is engaged, together with his residence and the hour, time, and place of his appointment; but no driver shall be compelled to take any order if the person calling him owes him for a previous fare, unless such fare shall first be paid.

23. No driver of any cab licensed under this by-law shall loiter about or shall gallop or drive at an unreasonable pace on the street or at any railway station, or block up the road or access thereto, or the access to any place of public resort, or stop on any public crossing of any street.

24. No owner or driver of any cab shall employ or allow any runner or other person to assist or act in concert with him in obtaining or soliciting passengers at any of the stands or railway stations, or elsewhere in the city.

25. Every driver of a cab for which a license has been granted under this by-law shall, if requested, give his name, the name of the owner, and the number of the cab, and exhibit a copy of the tariff authorized by this by-law, to any person having employed him, or offering to employ him, or to any person to whom injury may have been done by his horse or vehicle.

26. For the purposes of this by-law the city shall be divided into three Divisions, as follows: Division 1—All that portion of the city bounded on the east by the eastern boundary of Merrivale and 3rd Streets, and the eastern boundary of Merrivale Street produced in a southerly direction to Fraser River; on the north by Queen's Avenue; on the west by 10th Street; on the south by Fraser River. Division 2—That portion of the city bounded on the east by the Boulevard, being the easterly boundary of Queen's Park; on the north by 6th Avenue; on the west by 13th Street; on the south by Fraser River (exclusive of the portion contained in Division 1). Division 3—That portion of the city not included in Divisions 1 and 2.

27. The tariff for the carriage of passengers by any cab licensed under this by-law is as follows: From any place to any place within Division 1, 25 cents each passenger; from any place in Division 1 to any place in Division 2, 50 cents for one passenger, and 25 cents for each additional passenger; from any place in Division 1 to any place in Division 3, for one passenger 75 cents, and 25 cents for each additional passenger. If any person wishes to go from any place to any other place in Division 2 or 3, and finds a cab in such Division not engaged, he may engage such cab at same rates as are provided for Division 1, provided the distance be not greater than one-half mile, and 25 cents additional may be charged each passenger in such case for each additional half-mile or fraction of a mile. Time rates for any cab (except an omnibus) shall be: For one hour, \$1.50; each subsequent hour, \$1. Omnibus: one hour, \$2; each subsequent hour, \$1.25; one day, \$12.

28. Any person engaging a cab by the hour or day may take with him in such cab as many persons as the cab will conveniently carry.

29. When a cabman is ordered to call at a house for passengers, and is detained there for more than five minutes, he may charge and collect at the rate of \$1.50 per hour, and in the same proportion for any fraction of an hour.

30. It shall be the duty of any driver of any cab, before he drives any person outside the city limits, to inform such person that he is liable to a further and greater charge than fixed for places within the city, and if the point to which he drives such person be not more than three miles beyond the city limits, the charge shall be at the rates fixed by section 27 of this by-law in respect of vehicles hired by the hour, and the time for which such cab driver may charge in such case shall include the time necessary for the cab to return to the city, if dismissed beyond the city limits.

31. No charge shall be made for any child in competent charge under six years of age, and for children between the ages of six and twelve the rate shall be one-half the tariff rate.

32. Each passenger paying full fare shall be entitled to take with him his own hand baggage free of charge.

33. If any person calls a cabman, and he leaves his

place on the cab-stand, the person calling and not employing him shall pay 15 cents.

34. From 7 to 11 o'clock in the evening, between October 1st and May 1st, and from 9 to 11 o'clock in the evening, between the 1st May and the 1st October, the charge may be one-half more than tariff rates; and from 11 o'clock in the evening till 6 in the morning the charge may be double the tariff rates.

35. It shall be lawful for every owner or driver of any cab to demand prompt payment of lawful fare or hire of the person hiring or using such cab, and every person refusing or neglecting to pay such fare forthwith shall be guilty of a breach of this by-law.

36. No driver of a cab shall knowingly carry as a passenger in any licensed vehicle about the streets or other public places within the city, any notoriously bad character or woman of ill-fame, knowing her to be such, except in a closed vehicle, or for the purpose of taking such person to or from a railway station or wharf or steamboat landing as a traveller, and then by the shortest convenient route.

37. No driver of a cab shall knowingly carry as a passenger, or allow to ride in or upon his vehicle, any person who has the small pox, or any other infectious disease dangerous to the public health, or shall carry in his vehicle the remains of any person who has died from such infectious disease.

38. No person shall be permitted to sit on the box with the driver, or to use any part of a cab, without the consent of the person employing such cab first expressly given.

40. Any driver of a cab shall, when called upon to do so, assist any constable or other person in the conveyance in his vehicle of any person or persons to the hospital or elsewhere, as may be required, who may be wounded or may have met with any accident, or may have been taken suddenly ill on the street, provided such sickness is not of an infectious nature, and shall be entitled, after the performance of such service, to the usual fare therefor from the proper authorities.

41. Every person licensed under this by-law shall, through himself or his driver, punctually keep all his appointments, and if he shall neglect to fulfil an engagement, or shall not be punctual to the time of his engagement, he shall be subject to the penalties of this by-law; and any person ordering a cab and not afterwards using the same shall pay to the driver of such cab the fare which he would be entitled to receive if the service had been performed for which he was engaged.

42. No person shall stand for hire with any cab in any street except on the stand for the time being designated by resolution of the Council for that purpose. All such cabs shall so stand in single file, at such distance apart as may be stated in such resolution, and at least ten feet from any crossing, and, if at any time there shall be a number of cabs licensed under this by-law in any street, square, public or private place within the city, any constable may give directions respecting the position of such cabs and the direction they shall go, and every driver of any such cab shall immediately conform to such directions.

43. The owner or driver of any cab shall not be entitled to recover or receive any fare from any person from whom he shall have demanded any greater price or rate than he is allowed to charge under this by-law, or to whom he has refused to exhibit his card of tariff charges as herein provided; and it shall be the duty of every police officer to be vigilant and active at all times in preventing extortion and over-charge by the owners or drivers of cabs licensed under this by-law, and to be conversant with the tariff rates, and any person using or driving in any such cab shall be at liberty at any time to call upon any police officer to inform him as to the proper fare to be paid for any drive or distance in question; and all police officers on duty at railway stations, steamboat landings, wharves and other places shall have supervision over all cabs licensed under this by-law, and the owners and drivers thereof bringing passengers thereto, and in case of any dispute between the owner and driver and the party driven as to the charge to be paid for such service, it shall be the duty of any police officer on duty as aforesaid to give all the information in his power as to the amount to be paid, according to the tariff provided in this by-law; and on all occasions when an overcharge has been made to the knowledge

of any police officer, it shall be his duty to prosecute the offender, irrespective of the person against whom such overcharge was made.

44. If any owner or driver of any cab licensed under this by-law shall induce any person to employ him by either knowingly or wantonly misinforming, misleading or deceiving such person as to the time or place of the arrival or departure of any railway train, steamboat or other public conveyance, or the location or distance from any part of the city of any railway depot, steamboat landing, hotel, public place or private residence, or shall induce any person to employ his cab by any false representation, or shall in any manner misinform, impose upon or deceive, or in any way insult, abuse or ill-treat any person employing him, he shall be subject to the penalties of this by-law.

45. Any person guilty of an infraction of any of the provisions of this by-law shall, on conviction before the Police Magistrate or any Justice of the Peace having jurisdiction, forfeit and pay a fine not exceeding \$100 for each offence, and in default of payment of any fine imposed, together with the costs of prosecution, it shall be lawful for the Police Magistrate or other Justice of the Peace to issue his warrant to levy the amount of fine by distress and sale of the offenders' goods and chattels, and in case no sufficient distress to satisfy the amount of fine and costs shall be found, it shall be lawful for the Police Magistrate or other Justice of the Peace to commit the offender to the common gaol for a period of not more than two months, with or without hard labour, unless the fine and costs be sooner paid.

CHILLIWHACK, B. C., 1st September, 1891.

To the Reeve and Council of Chilliwack:

GENTLEMEN: Having been instructed by your honourable body to make an examination and survey of the Big Prairie for the partial draining of the same, and to form a scheme complying as far as possible with the views of the settlers as petitioned for by Messrs. Newby, Chapman and others, I beg to report that I have made such examination and survey, and I recommend that the work be done as follows:—

1st. That the Suniault be cleared of all weeds and logs throughout the whole breadth of the present channel, and that this weeding be effectively done by grubbing out the roots.

2nd. That the two bars in the channel of the Suniault, known as its upper and lower bars, be cut, and that the channel at these places be widened to fully 20 feet, with an extra average depth of one and a half feet.

3rd. That the channel at the head of the stream be straightened by cutting across a series of bends, in all 1,540 yards in length, giving this new channel an average width of ten feet, and an average depth of four feet.

4th. That the McCutcheon drain be cleared out, and that 770 yards at the upper end be lowered according to section given to an average depth of two and one-quarter feet, and a mean width of 12 feet.

5th. That a small catchwater drain 4,200 yards in length, 2 feet in depth, and an average width of two and one-quarter feet be cut. The earth from this cutting to be made into an embankment of one foot in height on the side of the ditch opposite the Chilliwack, beginning this ditch at the centre of section 8, going north through the centres of section 17 to the south line of section 20; thence following the line of the Indian Reserve in sections 20 and 19 to the Chilliwack River.

6th. That the McGuire drain, which runs from the foot of the hills at the south-east corner of the south-west quarter section of section 23, along the dividing line of sections 22 and 15 to the Suniault, and including the extension to the north-east quarter section of section 16 be cleared out and deepened three quarters of a foot at the head, and one foot at the mouth, grading evenly between.

7th. That the Bailey drain running from the foot of the hills between sections 8 and 9 to the Suniault (with which I associate the drains to the right and left of it on the McGuire Road to the extent of a quarter section each way, for the reason that these two ditches flow into this drain) be cleaned out, and that the above drain on the McGuire Road, and that portion of the Bailey drain from the McGuire Road to the Suniault be sunk one foot, and that from the McGuire Road south for a distance of 440 yards the Bailey drain be cut four feet in depth, and an average of four and a half in width.

8th. That the drain known as the Prairie Central, commencing at the Upper Prairie Road, and running thence between sections 23 and 26, 22 and 27, 21 and 28, 20 and 29 to the Suniault be cut to sections chosen by the settlers on this drain and sanctioned by the Council, as follows:—First mile from the Suniault, depth 5 feet, average width, 7 feet; 2nd mile, depth 5 feet, average width 6 feet; 3rd mile, depth 5 feet, average width 5 feet.

9th. That the drain known as the Chilliwack Central, commencing at a point close to the south-east corner of the south-east quarter section of section 33, and running between sections 28 and 33, 29 and 32, and cutting across the north-west corner of the north-west quarter section of section 29 to the Suniault, be cleaned out and lowered one foot.

10th. That the Lindell drain, running from the foot of the hills between sections 15 and 16 to the McGuire Road, be left as it is, as it fulfils the requirements of the present scheme.

I estimate the cost of the above as follows:—

Right of way from the head of the Suniault on straightened bends, 35 chains, 3½ acres @ \$100.	\$ 350 00
Straightening and deepening the channel of the Suniault from the head down; average width of cutting, 10 feet; depth, 4 feet, 1,540 yards; 6,930 cubic yards @ 35 cents	2,425 50

Cutting the second bar from the head of the Suniault, beginning at station 14 on the Suniault, and going 880 yards down stream, 2,112 cubic yards @ 35 cents	739 20
Weeding and clearing Suniault from the mouth to a distance of 1,120 rods up stream, 1,120 rods @ \$2	2,240 00
Right of way on McCutcheon ditch, 9 6-10 acres @ \$200.	1,920 00

The work as a whole is to be kept in repair and maintained at the expense of the lands assessed for the work herein reported; all the said lands paying in the same relative proportions as for said work.

I have the honour to be,

Recommended that those on this drain, aided by the Indians on the Reserve, be allowed to dig their own drain.

And whereas the said Council is of opinion that the drainage of the locality described is desirable:

Be it therefore enacted by the said Municipal Council of the said Municipality of Chilliwack pursuant to the provisions of the Municipal Act:

1. That the said report, plans, and estimates be adopted, and the said drains, and the works connected therewith, be made out and constructed in accordance therewith.

2. That the Reeve of the said Municipality may borrow on the credit of the Corporation of the said Municipality the sum of (\$15,500) fifteen thousand five hundred dollars, being the funds necessary for the works, and may issue debentures of the Corporation to that amount in sums of not less than \$100 each, and payable within twenty years from the date thereof, with interest at the rate of six per centum per annum,

that is to say, in twenty equal annual consecutive instalments, the first of which shall be due and payable at the expiration of one year from the date on which this by-law shall have been finally passed, all of such debentures to be payable at the Bank of Montreal, at New Westminster, B. C., and to have attached to them coupons for the payment of interest.

In case of a poll being held the candidates (duly qualified) who shall obtain the greatest number of votes shall be Municipal Councillors and Reeve respectively.

Every person qualified to vote shall have five votes, being one for each Councillor to be elected, and one for Reeve, but he may vote for any less number than five: Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion, except for Reeve. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in the case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the candidates in equal proportion; such expenses shall not exceed in the whole one hundred dollars.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Municipal Councillor or Reeve, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Act, 1891."

The first meeting of the Council shall be held on the first Saturday after the day of election, at Upper Sumas School-house, at 12 o'clock noon.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.
